

BEATITUDES SONG

Chorus:

Blessed are the meek and cheerful,
Blessed are the weak and tearful,
Blessed are the gentle and the kind;
Blessed are the poor and needy,
Blessed are the small and weedy,
Joy in God's Kingdom they will find.

1. When someone calls you names and gossips about you,
don't feel upset or in despair;
learn that for other people this can happen too
and that you have no need to care.
2. When someone holds a grudge and doesn't want to play,
don't turn your back and do the same;
learn that it's always best to try and find a way
to bring them back into the game.
3. When someone gets annoyed and smacks you in the face,
don't be provoked into a fight;
turn them the other cheek and show a little grace,
stay calm and teach them what is right.
4. When someone pleads with you to lend a helping hand,
don't say you're busy and can't do;
help them so much that they can never understand
why someone is as kind as you.
