

CLIMBING UP THE RAINBOW

Refrain:

**Hold on tight!
left and right,
climbing up the rainbow
when the rain is falling.
Hold on tight!
left and right,
climbing up the rainbow
to the light.**

1. Sometimes when the going's really tough
it's so easy not to try enough;
put your heart and soul in all you do,
keep on climbing and you'll win right through.

Hold on tight, etc.

2. Nearly there,
at the top,
keep on climbing upwards
never stop!
Don't look down
to the ground,
see the golden sunbeams
all around.

Hold on tight, etc.

(This is an action song – devise you own!)
