

DIOS MIO! (PSALM 22)

1. Dios Mio!
don't forsake me,
hear my prayer.
Calm my desperate fears,
wipe my anxious tears,
show you care.
Why are you so far away
not heeding what I say?
Come and drink from my cup;
come and share in my pain;
give me strength once again
to have faith, faith, faith
in the power of your name.

2. Dios Mio!
I implore you,
look on me;
sorrowing, broken,
wounds wide open,
set me free.
You have known me since my youth,
you only know the truth.
Come and drink from my cup,
come and share in my pain;
give me strength once again
to have faith, faith, faith
in the power of your name.

3. Dios Mio!
I adore you,
you are near.
You have heard my plea,
you have come to me,
there's no fear.
Take my life and let it be
filled with your majesty.
You have drank from my cup;
you have shared in my pain;
I have strength once again
to have faith, faith, faith
in the power of your name.
