

## **FEED THE PEOPLE!**

1. There are people all around who have no food. (*repeat*)  
When they ask you for some bread, don't give a stone instead,  
just feed them with the bread that Jesus gives. (*repeat*)

***Chorus:***

Feed the people! Feed the people!  
Feed the people with the bread He gives.  
Feed the people! Feed the people!  
Feed the people with the bread He gives.  
Feed the people with His bread.

2. There are people all around who have no hope. (*repeat*)  
When they ask you what to do, just love them through and through,  
Just love them with the love that Jesus gives. (*repeat*)

***Chorus:***

Love the people! Love the people!  
Love the people with the love He gives.  
Love the people! Love the people!  
Love the people with the love He gives.  
Love the people with His love.

3. When we come to sing our praises to the Lord; (*repeat*)  
Let our hearts and minds enfold all people young and old  
and ask Him to forgive and set them free. (*repeat*)

***Chorus:***

Free the people! Free the people!  
Free the people through the power He gives.  
Free the people! Free the people!  
Free the people through the power He gives,  
Free the people through His power..
