

## **GRACIOUS LORD**

*Chorus:*

*Gracious Lord, Gracious Lord,  
Gracious Lord, Creator of us all;  
we come before your presence  
and listen for your call,  
and thank you for your love,  
Gracious Lord.*

1. Light and power flow from you, Gracious Lord,  
holding the planets in space, Gracious Lord;  
each sun and galaxy far, Gracious Lord,  
testify to your grace, Gracious Lord.
2. Intelligence and thought flow from you, Gracious Lord  
bringing knowledge to our minds, Gracious Lord;  
every pattern, every shape, Gracious Lord,  
is your design in our lives, Gracious Lord.
3. Grace and goodness flow from you, Gracious Lord,  
giving us comfort and peace, Gracious Lord;  
when we are gentle and kind, Gracious Lord,  
then your love we release, Gracious Lord.
