

Lasst uns singen!

Chorus:

Lasst uns singen!
Glocken klingen!
God has sent us his only Son!
Hear the singing!
Bells are ringing!
Come and join in our song.

1. With this little child,
symbol of God's light,
brightness comes to the darkest night!
Hear the singing!
Bells are ringing!
Everyone share in our song.
2. With this little child,
symbol of God's love,
peace is sent to us from above!
Hear the singing!
Bells are ringing!
Everyone share in our song.
3. With this little child,
symbol of God's care,
peace and joy are spread everywhere!
Hear the singing!
Bells are ringing!
Everyone share in our song.
