

Slava Bogu!

1. God kept his promise and sent his only son,
light changed the darkness, a new age has begun;
God gave us life that is filled with love and care,
hope and peace for us all to share.

Chorus:

Slava Bogu, glory be to you, O God!
Slava Bogu, glory be to you, O God!
Slava Bogu, glory be to you, O God!
Slava Bogu, glory be to you, O God!

2. God made the mountains, the valleys and the sea,
he made all creatures, the air and you and me;
God gave us life that is beautiful and bright,
life that brings everybody light!
3. God sent us Jesus to show us how to live,
he showed us kindness and taught us how to give;
God gave us life that spreads goodness everywhere,
gives us hope when we're in despair.
