

SON OF GOD, LORD

1. Though we are many, Lord,
we are one body, Lord,
for we all share one Bread of Life.
We come before you, Lord,
kneel and adore you, Lord,
you are the Way, the Truth, the Life.

Chorus:

***Comfort and hold us, Lord,
your love enfold us, Lord,
Jesus, our Saviour, Redeemer,
Son of God, Lord.***

2. Let us not hunger, Lord,
your love be in us, Lord
you are the Bread which came from heaven.
Through all eternity
we'll be in unity,
fed by your life so freely given.
3. We give you glory, Lord,
and we confess you, Lord,
you are the Father's only Son,
present in bread and wine,
heaven's eternal sign,
until all earthly ages run.
